TRASH TALK

Talking dirty is not just saying “Fuck.” It’s an art form that includes a whole repertoire of moans, sighs, grunts, groans and other sounds.

“Fuck me, baby. Give me every inch of your fuckin’ cock!” begged Jan hungrily, her hips frantically writhing.

“You slut; you whore; you love it,” taunted her partner, plunging his entire body down upon hers with a force that pistoned her right into the now-soaking-wet sheets.

“Give it to me, give it to me,” she moaned. Then her moan turned into a scream as she spiraled to the peaks of orgasm—her body convulsively taking every bit of his dick, his balls, and his body between her legs—with an energy and passion that must have raised the temperature in the room to the boiling point.

After it was over, they lay in each other’s arms cooing like two satisfied babies. “Did baby like it?” she hummed, one hand gently cuddling his now deflated organ.

“Uh-huh. Did my sweetie have a good time?”

The scenario for a ‘70s porn flick? No, just an average night in the bedroom of Jack and Jan. To their friends they were Mr. and Mrs. Straight. No one could have imagined the petite, blue-eyed blonde Jan uttering even a mild epithet, least of all the trucker-like stream of obscenities that poured out of her mouth

when Jack fucked her. And Jack was one of those mild-mannered guys who blushed when someone else showed him a nude pic.

But in the privacy of their bedroom they cursed, they shouted, they turned each other on with a verbal assault that would have made a Marine blush. Jack and Jan had discovered the fine art of talking dirty, really dirty, and they say it saved their sex life.

“Our sex was so quiet, so gentle that frankly it was getting to be a bore,” remembers Jan. “I guess I had this fantasy of being overpowered by a stranger who used my body for his pleasure, treating me like some slut. But I was too ashamed to admit it to Jack. Then one day I was talking to him on the phone at the office and he said to me, ‘I can hardly wait to get home to bang you.’ That promise, the possibility of his coming home and forgetting dinner and just jumping into bed with me made my heart pound. I dared to take a chance and tell him, ‘I can’t wait for you to fuck me. Just thinking about it makes me wet between my legs.’”

“We got into this whole conversation, quite by accident that went something like this:

“Jack: ‘You know it really turns me on when you wear that see-through black nightie of yours. The one where I can see your tits...’”

“Me: ‘I love it when you grab them and play with them. It really turns me on!’

“Jack: ‘Just thinking about it is giving me a huge erection. I’ll be home as soon as I can...’

“Well, I was so excited just thinking about what would happen when Jack got home that I started mentally rehearsing what he would do. He came

through the door like an express train, grinning like a Cheshire cat because I was wearing that nightgown he liked without a stitch under it. He started to play with my boobs and kiss them and suddenly I had this irresistible urge for him to bite them. Nothing violent, but I was too excited for just gentle kisses. I wanted him to nip at them. But he didn’t get the hint when I pressed his head hard against my chest. I was so horny, I just had to beg him, ‘Now, honey, bite my breasts, please...’

“Well, he did, and he could hardly believe the reaction. Something inside of me snapped and his usually gentle, to the point of being passive, wife turned into a tigress. I licked and sucked him all over and went at his cock with a passion that made him come in my mouth—another turn on. If he had even suggested this to me before that night I probably would have wrinkled up my nose at the whole idea.

“From then on we started talking to each other while we fucked, giving directions, telling the other one how much we enjoyed what they were going to do to them in return. It opened up a whole new dimension in our sex life.”

Jack and Jan aren’t the only practitioners of erotolalia, the art of talking dirty. Many couples enjoy expressing their sexuality completely—in what

they do and what they say, and without a hint of embarrassment. What goes on in the privacy of a couple’s bedroom has nothing to do with how they act in public. And talking dirty can be an erotic turn-on so exciting that it actually makes them perform better.

“It really gets me hot to hear Ron tell me exactly what he’s gonna do to me,” explains Sally, his wife of five years. “Just thinking about it turns me on before he even touches me. And it’s amazing, but the more turned on I am to start, the better lover I am to him and the more times I come.”

Of course, talking dirty includes a whole repertoire of moans, sighs, grunts, groans and other sounds. “It’s music to my ears,” confessed Donnie, 25-year-old who lives with Lynn. “When I hear Lynn start to moan and groan like that I know I’m really turning her on—and that’s like applause to my performance. A simple ‘thank you’ afterwards seems too empty and formal. I want to know that I am pleasing her at that moment. Sometimes our bedroom must sound like a hockey arena after the home team scores, but I couldn’t care less if the neighbors hear. Let them eat their hearts out with all the good, wholesome fucking the two of us can have after all this time together.”

“I think talking dirty—which you can do anywhere—is a wonderful way to turn a woman on and get her hot and ready so when you finally do get alone that you are ready to go,” explained Pete. “I like to be at a restaurant and whisper something simple like, ‘Wait till I get you alone, honey. I’m going to bang you until the sun comes up.’ Then the closer we get to the bedroom, the more specific my promises become—and I always act on them. I tell her how I am going to kiss and suck on her breasts and play with her nipples... how I’m gonna go down on her sweet pussy and suck on it till she comes so many times she’s begging me to fuck her.

“I tell her exactly what I intend to do. And I must admit that I get really turned on by a woman who knows how to do it well. Talking dirty is not someone who just chants, ‘Fuck, fuck, fuck.’ It really is an art and there are ways to express yourself so that you

have a whole vocabulary. When you're into talking dirty you start easy, you tell that person how beautiful their pussy is and how just seeing the outline of those plump lips through her tight jeans makes you want to get her alone and slip your cock inside of her. You let her know how turned on you are."

"I love a dude that talks dirty, says Barbara, a 22-year-old hottie. "I want to hear how much he wants me as well as see it. Sex is much more than slamming bodies together. I like to see a guy's naked body, to taste it with my tongue, to feel it and to hear him saying those delicious things. And when you're in bed is not time to act like you're at some prim-and-proper tea party. This is lust—gutsy, noisy sex sounds. I mean, if you get in bed with some guys they go through the whole thing without making a peep. You might as well be in bed with a corpse.

"I like those animal grunts and groans and hearing a guy go, 'Oh baby, you're so hot. I love to feel my dick in your hot, wet cunt.' And when a dude comes, well, it's a huge turn-on to me to hear him orgasm and know how much I'm pleasing him. I mean, some dudes get you in bed and practically don't even know when they come. I feel like they were masturbating in the bathroom with their mom standing outside; they don't dare make a sound or she'll know they are pleasuring themselves."

Of course, not everyone wants to hear a nonstop stream of obscenities, but you can be as specific as your partner likes. And it's easy to tell when they are turned on: they get hotter and react back. If you were to climb in bed with your partner and suddenly, after never having said a word for years, go, "fuck me," chances are they would turn him off. You have to build up to it, testing to see just how far the two of you can

go. It doesn't matter what other people do, just what pleases the two of you. And of course, there is only one way to find out: experiment.

"I wanted to talk dirty for years," says Annie, a petite little brunette. "But Bob always treated me like a china doll. I think he thought I would break if he fucked me with all his strength. I craved the day he would really get in there and bang away. I wanted to have him so enraged with lust that he fucked me like an animal. I wanted him to want me so much he was out of control in every way. But I was afraid to tell him point-blank because I am absolutely positive it would have turned him off. His image of me was an artificial one of a little girl; a pure, virginal little girl. But after being married six years, I was hardly a virgin and I was getting tired of being treated like one.

"I was afraid that if I confessed to Bob what I really wanted he would be turned off, disgusted, and think there was something wrong with me. My image was killing me. Well, one night I was so fed up when we were in bed that I just said, 'Would you fuck me, please?' I practically whispered it, but he heard me and did a double-take. Well, once he'd gotten me to confess what I really liked it turned out he had wanted it for years too. But out of consideration for me, he'd held back. Imagine the two of us were too inhibited to even admit what we really wanted."

You don't have to suffer in silence. If you can't tell your partner outright, then maybe try a little dirty phone sex, or maybe you could tempt her out by telling her a story about other couples that talk dirty and see if she gets turned on hearing about it. Maybe watch a porn flick and comment afterwards about the dirty talk. There's no reason why every couple can't have a 'complete' sex life.

BLAIR-NTS-00

Let me see if I can get some action before my friends arrive.

I was at Jumpin' Jimmy's dance club in South Miami Beach waiting to meet my friends. We were spring breaking and ready to let loose. In the huge mirror behind the bar I could see the entire club, as well as myself. It was spring and the temperature was quite warm, so I dressed in a rather skimpy, tight-fitting black vest, a short, tight black leather mini-skirt and heels. My vest showed my tanned boobs off to perfection.

I was known for having bullet-like nipples that tended to poke through the little tops I would wear. Tonight I was sans bra and my nipples were poking hard at the material. Sometimes, they were a pain but on nights like tonight, they were a definitely plus. My name is Angel – and I am not usually one.

Sitting at the bar I got a text message from my friends saying they were running a little late. So I decided that I might as well make the most of it by ordering another glass of wine from the bartender. 'Fuck it,' I thought to myself. Let me see if I can get some action before my friends arrive. And when they do, they'll have to find their own, because I'm not in the mood to share.

I finished my drink, tipped the barkeep, and decided to check out the club. I made my way to the dance floor and started to look around for a guy that I'd find attractive and unattached. Within a few minutes I saw a guy that fit the bill. In the dark club, he looked about 23 with a nice shirt, jeans properly around his waist, and nice-looking shoes. Very important. As I made my way towards him, we made eye contact at about ten feet and I smiled at him. As he approached me, we instinctively started to shuffle dance, getting closer and closer.

When I dance with a guy, I want to know that inside his pants he's getting gradually harder and harder because of my moves. After about fifteen minutes of dancing with him, kissing and touching him on the dance floor, I whispered into his ear. "I'm going to fuck you, now... in the rest room." Without giving him the option to answer, I grabbed his hands and started to pull him towards the ladies washroom.

The ladies rest rooms were generally not monitored. If there was to be trouble, it would most probably come from the men's room. At first, he was a little worried about going in the ladies room, but after I asked him if he wanted to fuck me or not, he complied, holding my hand and slipping into the nearest free cubicle after me.

Locking the door behind us, I told him to sit down and get his cock ready for a action. He did as I asked and pulled his jeans and boxers down. I grabbed his semi-erect cock and stroked it to full hardness. I bent over and gave it a quick lick and straightened back up to slip out of my thong and stuff it in my bag. I lifted my skirt, gently rubbing my clit for a few seconds so he could see, while I continued playing with his cock. Then I decided to get at it. His smile told me he was enjoying himself.

I squatted in front of him, the leather squeaking against my moist skin. I licked my lips as he watched and I totally engulfed his cock in one motion. It disappeared entirely in my mouth; my lips closed around it; and I slowly backed off eyes looking up at him. I started to give him my special blow job moves and I sensed he knew it. I licked and sucked all around his penis and

dug my nails into his lower back as I pulled his hips into me to swallow that cock.

I then pushed him down on the seat and straddled him. First, I lifted my skirt even more and put my wet pussy near his face. He leaned forward as if to lick it but I sat down on his cock too fast. By this time, I was dripping wet and his cock slipped inside me with relative ease. I could feel his muscles twitch as he felt me tighten myself around him. As I lowered myself onto his lap, I put my hands on his shoulders and looked directly into his eyes while I grinded on him.

I undid the remaining buttons on my vest and my boobs bounced out off their restraints. My nipples were hard, and I knew if he sucked them, it would get me closer to the edge. After a few minutes of sliding slowly up and down the shaft of his cock, I could tell by the increased rate of his breathing and the way his legs were starting to twitch that he was close to cumming. I needed to get closer myself, so I jammed my body down on him and changed from my previous gentle motion to a harder grind in a forward and backward motion, making sure my clit was pressing hard against the base of his cock.

But I still wasn't ready to cum, so I stood up and turned around to face the door and I bent over to shove my butt in his face. I wiggled backwards until I felt his lips on my pussy. His hands came around and pulled me deeper into him. I felt his tongue lick my outer lips and push it's way into my sopping wet hole. I reached up to brace myself on the door and bent over more to give him better access to me. His hands moved around to my butt and he squeezed my butt cheeks sending me deeper into pleasure.

I felt his tongue slide up and lick my butt hole, but

I'm not ready for that with him, so I pulled myself forward, reached down between my legs, grabbed his cock and guided it into my pussy as I sat down on him, reverse cowgirl style. With hands on my hips, he pulled me down and the final workout began. I bounced up and down on his cock, shaking the toilet and stall. He struggled to stay on the seat, but still managed to grab my boobs from behind and pinch my super-hard nipples. This was now starting to really send me over the edge. And him too apparently.

As I felt him begin to tighten up, I reached under and grabbed his balls and spun them around in my clutch until he came inside me with a muffled scream. The feeling of his hot cream spurting inside me felt fantastic but it didn't quite push me over the edge. With his cock still in me, I quickly started to rub my clit and within a few seconds, I felt the wave of an orgasm start to spread throughout my body.

I realized I didn't actually know his name but gave him a quick peck on the cheek and following a quick clean-up, we opened the cubicle door and walked out of the stall. My sense of pleasure was enhanced by the knowing glances and smiles I received from the other ladies in the rest room. Admittedly, we were so unaware of others in the rest room.

We headed back into the club and settled again at the bar. He ordered up a couple drinks for us as I felt a small hand on my shoulder. It was Nikki, one of my friends finally arriving – an hour too late. But I didn't mind. I had spent the time the way I wanted. I didn't bother to introduce them to him. After a while, I told them I had to use the ladies room. I looked over at him and left first. A few minutes later he followed me for round two!
